Overview:

Spectacular luxury complex designed by a the prestigious architect where he has has managed to eliminate the borders between the sea and the property. Its beautiful apartments with 2, 3 or 4 bedrooms with direct access to the beach and 2 villas with 4 bedrooms facing the sea, adapted to the organic forms of the Mediterranean environment. All surface areas are pedestrianized and the building is oriented around a garden whose limits merge with the sand of the beach. The homes have spacious and bright spaces, open to the landscape, which allow you to enjoy views of the sea with absolute privacy. The houses are ready to move into.

Features:

Air conditioning, Parking, Lift, Holiday Home, Beachfront, New development, Special offer
