Overview: This typical rustic Andalusian Finca has been fully modernized to a high standard, including a large lounge with fire place, leading to a 52 m2 covered terrace. There is a fully fitted kitchen with dining area and fire place. Built on two levels, with lower guest suite, with separate access. Nestled in a plot of 5,300 m2, skillfully planted with an orchard hosting a wide variety of fruit trees. Positioned perfectly for those whom seek tranquility and wish to be surrounded by scenes of natural beauty. This wonderful home is located only a few minutes from the Hotel Kempinski and renowned Beach Club Laguna Village in 'El Padron'.
