Overview: This apartment is located in one of the most luxurious residential complexes on the coast. It is a first line beach complex and almost every apartment offers marvellous views of the sea. It is just a 10 minute walk to Puerto Banus and the complex offers a range of services and facilities to its residents including two swimming pools (one heated), a gymnasium, large Jacuzzi's, and sauna. The security at the complex is amongst the best on the coast and is a 24 hour service. As you might expect from a luxury complex, the build quality is very high and only the best materials have been used in construction. The kitchen is also luxurious with Gaggenau appliances and separate laundry room. There are two parking spaces and a storage unit included with the property.
