Overview: Old totally original Spanish finca. Rebuilt in classic Andalusian-style in a 665 square meters with a construction area of 1,727 square meters of surface property. This farm has two floors of an old farmhouse rebuilt in two levels with direct entry to the wide parking lot, which is completely enclosed by a wall plant. An illuminated path leads you through lush, lush tropical gardens around a pool and patio. The ground floor has in the interior access to parking and provides direct access to the living rooms. The lowest level is destined to be a private living space consisting of an apartment with living rooms and dining areas inside and outside. The kitchen is completely equipped. It also has two bedrooms with bathroom and dressing, 2 studios with bathroom and kitchen with direct access to the parking deck. The apartment is fully equipped with central heating. The property is located in the mountain environment and 25 km from Malaga airport.
