Overview: A special, very spacious and cozy penthouse (2nd floor) which sleeps 4 comfortably and with a stunning, unique 124 m² "wrap around" terrace! Located in one of the highest rated (for cleanliness and quality) beach resorts of the Costa del Sol. The beach is within walking distance (about 10 minutes away), as is the lovely and popular Cabopino Marina. The penthouse also benefits from a lovely communal swimming pools set in well kept gardens! The house is cozy and homely furnished and fully equipped. The spacious living room is equipped with air conditioning and television. There are over 180 channels in various languages including English and Spanish. There is WiFi internet provided as well. The well-thought-out design of the apartment basically gives two independent & separate suites, each with its own entrance door and a private en-suite bathroom. Both bedrooms have fitted wardrobes. Both en-suites come with bath, shower fitting, toilet and bidet. The kitchen is fully equipped with ceramic hob, oven, microwave, fridge / freezer, dishwasher and washing machine. Bath towels and bed linen are all present and included in your holiday price, plus we provide some beach towels to save you some packing space! Beds are made on arrival and the apartment is fully prepared to make your holiday as easy and relaxing from the moment you arrive! This area is known for having one of the most beautiful beaches of the Costa del Sol (Playa Las Dunas de Cabopino) and also the Cabopino Marina. Next to the Las Mimosas Golf Resort we find the Cabopino Golf Club. The beach and port of Cabopino are 900 meters away (around 10 minutes on foot) from the property (for this it is necessary to cross the N-340 road through one of the footpaths).
