Overview:We are proud to represent the owner on the most stunning penthouse in Marbella ever to hit the market. This apartment has never been on the market in its history and in 2013 was completely stripped and renovated by the current owner. The penthouse consists of 3 large double bedrooms all with en-suite, with the master bedroom overlooking the beach and out to sea. From every room there is a sea view and being so close you can hear the waves gently crashing on the sand. The house has been completely renovated and now has full underfloor heating and polished concrete floors. The kitchen is a fully integrated Italian design all imported from Italy and for the best heat efficiency Schuco aluminium has been used throughout on all the windows and doors. The apartment boasts it´s own private lift to the pool and beach area accessed by an owners key. Viewings by appointment only for qualified buyers.
