Overview: Townhouse for sale in La Quinta, first-line Golf and a few steps away from the 5-star The Westin La Quinta Golf Hotel. Set in a small private and quite residential community, this West-facing property offers spectacular views of the surrounding natural landscape. On the ground floor, an entry hall gives way to a guest toilet, the kitchen and separate laundry area, a bedroom, and a large and bright living room with dining area and of course, access to the lovely terrace overlooking Hole 16 of the golf course from above. On the first floor are 2 bedrooms and 2 bathrooms. In the basement floor, which has been reformed to include an extra 30 m² of space, is a huge open space with again, views to the golf course, that can serve as a bedroom suite, games room, another lounge area or what have you. It includes a bathroom, another separate room and plenty of storage space. Each home comes with a private, covered parking space in front of the entrance.
