Overview: A beautifully presented 4 bedroom villa in the sought after Monte Halcones estate in Benahavis. Benefitting from incredible south westerly views over the Los Arqueros Golf course and out to sea this villa is incredibly private and peaceful. Only a few minutes to a commercial centre with a 365 days a year supermarket, a local restaurant and a few bars makes this an ideal location for someone looking for a holiday home or permanent residence. The property has been very well looked after by the present owners who built the house 18 years ago and only used it for holidays. The garden is beautifully maintained with its own private pool. There are only a handful of villas in this location and it is rare that one comes to market.
