Overview: Rental of the latest stores available in Urb. Las Salinas! It is a large area in expansion where to establish a new project. They are parallel to the A7 motorway, ensuring high visibility. There are available: -2 diaphanous premises of 200 and 300m² approx. each one, joined together by one part and easily divisible by the meters needed, with removable roofs and walls ready, in the absence of the rest of the facilities to be determined by the needs of the future tenant. -1 Local of 125 m² with floor and front ready, conditioned as an office now and ready to enter. -1 Local of 200 m² enabled as a restaurant and ready to re-open it. Ask for prices and more information without obligation.

Features:

Parking, Investment
