Overview: Located at walking distance to the beach, the concept of this fabulous state-of-the art 6 bedroom villa is to face proudly the passing of time. Villa California has been exquisitely designed by a renowned architectural studio and was recently completed in 2020. This south-facing property comprises 6 generous-sized bedrooms with Italian bathrooms equipped with Hansgrohe fittings, Philippe Starck sanitary-ware, and a fully fitted and equipped Gaggenau kitchen with Miele appliances. Some of the main features include: large dressing room in the master bedroom, salt water swimming pool, preinstallation for sound system, home automation system, perimeter sensors, underfloor heating and air conditioning throughout, roof-top terrace with sea views and much more. More than 1.000 square meters built situated at less than 5 minutes drive to Puerto Banus make this stunning villa probably the best property available at Casasola, a consolidated luxury beach side urbanization.
