Overview: Estepona-Atalaya area- Residential plot for around 15 modern townhouses, the east facing plot is located next to a golf course, a couple of Villa developments are currently being developed in the area with prices in excess of 1 million euros.. This plot is ready for immediate development. With a buildable area of 3100m<sup>2</sup> Building legislations in the Estepona region is a lot more friendly and efficient to developers when compared to that on of Marbella. Consolidated residential area, with a very nice sports club (indoor pool, gym, restaurant) 300 meters away.. Puerto Banus is 8-10 min away.
