Overview: Marina Bay urbanisation offers two swimming pools and direct access to Playa Cristo and private underground parking. Tastefully decorated apartment in a frontline beach urbanisation. The spacious lounge offers flat screen TV, Internet, dining table and chairs and patio doors to a balcony with side views to the sea. Open plan fully fitted kitchen also table and chairs, washing machine, dishwasher, fridge freezer, cooker and gas hob. The double bedroom has an en-suite bathroom and plenty of wardrobe space. Second bedroom also has two single beds and again plenty of wardrobe space. There is a second guest walking shower and toilet. Being only a short distance from the marina and within walking distance of two blue flag beaches, Marina Bay is perfect for beach lovers. Playa Cristo is a small alcove beach from which you have direct access to from the urbanisation. A short walk and to the left of the marina is Playa Rada which starts at the lighthouse by the marina entrance and spreads for 2 km along the flat esplanade. Maintaining its Spanish feel, Estepona old town is a short stroll from the marina. Still very typical Spanish with tree and flower lined streets. The marina has a flea market every Sunday morning and a main market every Wednesday just a 5-minute walk from the marina. Licence VFT/MA/04761
