Overview: A magnificent south facing town house located in a second line beach development with a private road in Cabopino! Built over three levels, this sought after property is in need of a little renovation to give it a modern look on the inside. You enter through an Andalusian style porch into the entrance hall. To the left there is a WC and the staircase to access either the upstairs or the basement. There is a fully fitted kitchen and a spacious lounge. From there you have a terrace which continues out to a private garden. On the lower level of the house there is a lounge, three bedrooms and a bathroom. On the upper level there are two more en suite bedrooms, the master bedroom has a private sunny terrace with partial sea views. There is private parking at the front of the house. Set in a complex with beautiful mature gardens with lots of colourful trees and plants, a large communal pool and a gate out to the street where you have access to the beach which is a one minute walk, here you have the chic harbour of Cabopino with nice yachts and a variety of restaurants, cafes and bars. Just a ten minutes drive to Marbella and a 30 minute drive to Malaga airport
