Overview: La Reserva del Alcuzcuz is a quiet area surrounded by pine trees, olive trees, and sea views. The project offers 8 villas with 6 bedrooms. Each villa has a plot of 3000 m<sup>2</sup> approx. The villas have a living area between 800 m<sup>2</sup> and 900 m<sup>2</sup> and open terraces with their own private pool. Air conditioning throughout the house and underfloor heating. La Reserva de Alcuzcuz a magnificent residence located within walking distance of all services and short drive to Puerto Banus. The villa located in a wonderful enclave, has what every family would like to have: beauty, warmth, comfort ... Alcuzcuz is an exotic, green and spectacular place. Our challenge has been to achieve an architecture, where light and spaces take the main place.
