Overview: A lovely 2 bedroom townhouse in the much sought after La Quinta Hills Development. This property is incorporated over 2 levels with a roof terrace and BBQ area. Upon entering the spacious hallway you have the half renovated kitchen to the left and a guest toilet to the right. The property could benefit from some opening up so the kitchen, dining and living area become one. There is a terrace off of the lounge area. Upstairs there is two bedrooms, the master with en-suite and from here you can enter the roof terrace and BBQ area, which has stunning views of the La Quinta Golf Course and surrounding area all the way to the sea. The second bedroom has a separate bathroom and an adjoining terrace to the master bedroom, with views over the golf course.
