Overview: A new residential concept in an unparalleled setting for an exclusive development. Where the fusion of light and nature make El Mirador de Cabopino a unique development project. All our properties boast a large plot with huge landscaping potential and unrivalled views of the sea and golf course. You will find the house of your dreams at the Cabopino Golf resort. In these luxury villas you will have quality and comfort right at your fingertips, in a safe setting where you can build a real home. This project of 4 detached villas is located in Cabopino, a unique place on the Mediterranean coast for having these views of the Mediterranean Sea and being able to access this fabulous 18-hole Cabopino Golf Club course all year round. In the closest environment, there are lush pine mountains where you can enjoy nature, and the magnificent Cabopino marina, with protected beaches such as the Dunas de Artola and its path with the Torre de los Ladrones, a declared element of military and defensive architecture. Asset of Cultural Interest.
