Located within a 24 hour security managed gated community, the property is surrounded by spectacularly manicured sub-tropical gardens which are elegantly flourished with fountains, water features and no less than 3 sizable swimming pools, all of which create an atmosphere of relaxation, as sounds of gentle trickling of water resonating through the air. Entering the property on the main level, which is accessed by a direct private lift operable only by private key, there is an impressive L-shaped living area. This high ceilinged room boasts a working fireplace and is brightly and naturally lit by extensive sliding glass terrace doors that offer direct access to the main wrap around terrace. Adjacent to the living area is an elegant dining area which is looked over by a modern open plan style kitchen, dressed in fine marble countertops combined with wood and gold flourishes, and showcasing a chic comprehensive island unit, complete with bar stools. Wide windows on all sides of the kitchen and dining area allow the Spanish sunlight to flood in, illuminating the rooms with great washes of gentle color and warmth. The kitchen is fully equipped with first class Miele appliances, offers plenty of storage and cupboard space and boasts a full size wine fridge/cooler. Adjacent to the kitchen is a versatile utility room. Also on the main floor is the master bedroom, inviting and luxurious in its own right. The suite opens its terrace doors directly onto that immense terrace and reveals the panoramic sea and golf views that stretch extensively out and towards the Mediterranean sea. A deluxe ensuite bathroom offers privacy to its residents and is resplendent with a double vanity and an oval bathtub, lit by grand windows opening onto a private corner of the property's terrace. Dressed in tones of rich blues and cool creams, this master suite is truly as captivating as it is stylish. On the same floor there is also another beautiful and spacious ensuite bedroom, also offering access to the glorious main terrace from a private corner. The bathroom is also finely dressed in neutral tones and with both rooms proffering white washed wooden beamed ceiling, this suite denotes purity and peacefulness. On the upper level there are 2 further ensuite bedrooms both of which reveal access to terraces that enjoy an elevated uninterrupted view over the golf area, the gardens and the sea.
