Overview:What an opportunity! This wonderful home is in need of significant reform but once done will provide a really special luxury apartment within the heart of San Pedro and within a short walk to the beach. A very spacious San Pedro penthouse apartment with incredible sea views. This spacious property is facing south and has lovely views to the distant Mediterranean Sea. The property comes with one underground secure parking space and one storeroom. Very good location for anyone looking to live within easy reach of Marbella, Puerto Banus and everything that San Pedro has to offer.
