Despite its quiet location, it is conveniently located just a 15-minute drive from the coast and the popular resorts of Marbella and Puerto Banús. The area boasts proximity to several golf courses, including the Marbella Club Golf Resort, as well as amenities found in Marbella, Puerto Banús, and San Pedro. The community is also near international schools, hospitals, supermarkets, and sports facilities, with easy access to the A-7 coast road. The townhouse spans two levels and features a bright living room with an open fireplace, opening onto a spacious terrace that offers panoramic mountain and sea views. Adjacent to the living room is a dining area with marble flooring, leading to a well-equipped kitchen with ample countertop space. The property comprises three well-sized bedrooms, three bathrooms, and an additional guest toilet. A private plunge pool provides a refreshing retreat, and the property includes one garage space and a storage room. The community prioritises security, offering an extensive CCTV system, a roving security patrol every night, and a guard at the entrance gate 24 hours a day. Monte Mayor is a master-planned development incorporating townhouses, single-family villas, and large building plots, boasting excellent views over its golf course and out to the Mediterranean. The community spans 330 hectares, over half protected as a green area, providing a low-density living environment. Residents benefit from 24-hour security, ensuring peace of mind.
