Overview:Located just a few meters from the beachside of San Pedro, this stunning three-bedroom duplex penthouse has been fully reformed and is key ready. The project has been run by a renowned developer with a track record of successful projects in the area. The property features a high quality renovation with an exceptional finish, offering spacious living areas and beautiful sea views. With a beautifully designed living/dining room, opening out onto the spacious terrace with uninterrupted sea views (South/South East facing) you are sure you fall in love with this space, perfect for entertaining. The new property boasts not just 1 but two kitchens, one dirty kitchen, which is perfect for extra space and storage. Upstairs, the space has been transformed into 3 en-suite bedrooms, brilliantly designed with hand crafted built in wooden wardrobes and drawers. With high attention to detail and incredible craftsmanship throughout and with our past success in this area/developer this property will sell and sell quickly. We sold the last two for asking on launch and this will be no different, with a very attractive price per square m. If that isn´t enough, it is perfectly situated within walking distance to San Pedro Beach, beach, schools, shops, gyms, padel courts and all essential amenities and just a five-minute drive from the vibrant Puerto Banús. A ready to walk in dream!
