This high end luxury gated complex includes to large communal pools in lush garden, an indoor heated pool, tennis courts a gym and security and it is located frontline beach. What we really like about this property for sale in Los Granados de Cabopino is that it has lots of outdoor space and outdoor areas that really allows one to enjoy outside living that the Spanish climate permits. The facilities and felling of security in this complex are so complete that it feels like we are in a five star resort and they can not be beaten by other complexes along the coast.
