The urbanisation is impeccably maintained, with beautifully kept grounds that reflect care and attention to detail. Residents enjoy access to two swimming pools, one of which boasts stunning panoramic views of the sea — the perfect spot to unwind and soak in the serene surroundings. This beautifully refurbished traditional Spanish townhouse combines classic charm with a sleek modern touch. Thoughtfully redesigned, it now features an open-plan kitchen and living area, enhanced by expansive floor-to-ceiling glass doors that create a seamless connection between the indoor and outdoor spaces. With unobstructed sea and mountain vistas, the surrounding land is protected from future development — ensuring your view remains forever uninterrupted. The property offers three spacious bedrooms and three bathrooms, each with stunning views. Additional highlights include a private garage with rear storage, a fully fitted kitchen equipped with Siemens appliances, elegant oak flooring, air conditioning, and even a jacuzzi on the upper terrace for the ultimate relaxation.
