Описание: Beautiful Family Home in the prestigious Elviria area. A large and spacious property. With 5 bedrooms in the main house and another separate guest apartment in the lower part of the house. There is a fantastic bodega and bar area with dining area and cinema room A private garden with swimming pool completes this wonderful residence. The entry level has a very large country kitchen complete with dining area. There is also a separate dining area that leads off the lounge with fireplace. Three bedrooms and two bathrooms as well a guest wc. are on this level. On the upper floor there are two bedrooms of which one is perfect for office or study. The spacious master bedroom has an en suite bathroom complete with sunken bath and a separate shower. The lower level is more for relaxation and enjoyment. There is a custom built cinema room , a large wine cellar and a wet bar with dining area. There is also an additional guest suite with separate entrance and a large lounge area . These all lead to the private garden and swimming pool. The perfect family home
