Описание: Stunning development of Andalusian-style townhouses and villas, nestled above the town of Marbella. It is rare to find this sort of development in the coastal regions of the Costa del Sol, but La Virginia offers something quite unique for the discerning client looking for a taste of the authentic Andalusia. Full of charm, this rustic-style corner townhouse located within a 10 minute walk of the center of Marbella and the beautiful beaches of The Golden Mile. Restaurants and traditional Andalusian squares full of beautiful gardens and fruit trees. The home consists of 3 bedrooms and 3,5 bathrooms. It has a large living room with fireplace. Kitchen and a large dining room with access to a lovely patio, perfect for al fresco dining. A great southwest facing rooftop terrace with afternoon sun and with beautiful views of the village. The house, with its antique flooring and stained glass, is indeed a unique and very beautiful property. If its character and charm you are looking for, look no further!!
