Описание: Price set by motivated seller, this property is much bigger than the standard three bedroom apartment in this quality community. Large apartment in desirable Alhambra del Golf urbanisation. This alluring three bed, three bathroom home (2 en-suite) with an ample terrace is great for entertainment. The community itself boasts immaculate landscaped gardens, large pool and secure gated access. The interior of the apartment features three sprawling bedrooms and a generous living room with fireplace, with direct terrace access overlooking the gardens and pool area. Marble floors and luxury fixtures throughout the home, which is in a south facing location with great natural lightflow. The jacuzzi in the master bathroom is ideal for unwinding after a long day. The kitchen is fully equipped and leads in to the small laundry room. The home is larger than the standard 3 bedroom apartments in Alhambra del Golf, and with a motivated seller it won't be available for long.
