Описание: Lovely bright and sunny studio in Marbella. Located in the very nice beachside urbanisation of Marbesa, just a short walk from the best beaches in Marbella East. The complex used to be a 4 star hotel and still offers all the facilities. It has beautiful well kept landscaped gardens and a big communal pool area. There is a supermarket and several restaurants right next to the complex. A 10 minute drive to Marbella Centre and 30 minute drive to Malaga Airport. Fantastic holiday studio with great rental potential.
