Описание:Urban land finalist perfect for the construction of single-family residential housing (B + 2) located in one of the best current and maximum development enclaves of the urban center of Estepona. Located in an environment with all the necessary services; schools, parks, restaurants, sports centers and health services. Well connected by road through highway and highway, just 20 minutes from Marbella and Sotogrande. The land has an area of 1,833 M2, of which up to 30% (about 500 M2) can be built. Opportunity to build your own ideal home made to measure.
