Описание: A selected community of 14 five-bedroom villas located in Benahavis, in the most up-and-coming parts of Marbella. It is an area dotted with villas and attractively laid out apartments, and from its private settings enjoys an almost 360-degree view of golf courses, mountains and, of course, the coastline from Marbella towards Estepona. Set roughly midway between the sea and the town of Benahavis – the gated community is peacefully located at a stone throw from everything, such as three golf courses, restaurants, shops, a supermarket and a bilingual international school. The villas feature sophisticated modern architectural design and open-plan layouts. Spacious, stylish and rich in natural light, the rooms and terraces are designed to make the most of the stunning views that surround your property, with creative design meeting the finest materials, construction standards and the latest technology to create luxuriously modern homes for the 21st century.
