Описание: Welcome to this elegant and contemporary house in the heart of the popular residential area of Nueva Andalucía with spectacular views of La Concha and the sea. The property has impressive modern architecture, combining different natural materials and the latest technology for optimal comfort, including a complete Smart Home automation system and underfloor heating. The villa embraces life in the Andalusian climate. Facing south, it has large terraces totaling 180 m<sup>2</sup>, well-equipped outdoor kitchen with bar-style seating, pool and Jacuzzi, and beautiful gardens. Villa Marina offers a luxurious lifestyle, with special features including a gym, spa area and wine cellar.
