Описание: A rare opportunity to acquire a 10,000m² building plot located frontline beach in the exclusive sought after area of Guadalupe Baja. This plot currently has a project to construct a 7 bedroom, 9 bathroom villa with a total built area of 3137m². It may also be possible to divide the plot to enable construction of 2 or 3 separate dwellings. We have details of the current project available upon request. Some of the photos shown are renders of the proposed villa with different examples produced by the architect. Call now for further details.
