Las Tortugas de Aloha is the perfect spot for emerging into the Marbella lifestyle with a 5-minute drive to shops, restaurants and international schools like Aloha College. Being in the heart of the Golf Valley there is no better place for a golf enthusiast. This is a 2-bedroom unit comprising bright living and dining room, refurbished kitchen, two bedrooms and two bathrooms. Living area has direct access to a lovely covered terrace which is the ideal spot for relaxing and relishing the beautiful views. The rooms and terrace of this apartment, which offers lovely views of the communal gardens, swimming pool and Mediterranean Sea, are spacious and stylish. There is access to an underground parking and storage area too. Another thing to note is the fantastic rental potential in this development, both for long term and short term so it is also a very good investment opportunity. Built in 2005, Las Tortugas is constructed in the traditional Andalusian style which is loved by so many. There is a total of 60 properties in total.
