All the materials have been carefully selected by the current owner and they have been put together tastefully such as the designer kitchen with Gaggenau appliances and the herring bone wooden floor from Denmark. The position of the property gives you the feel of a penthouse and you can enjoy fantastic sea and mountain views from the good size terrace. There is a good size parking place in the basement, buggy parking and a large storage. Well kept gardens, gym and pool are found in this boutique style development.
